For the collection of the visitor's tax (which is collected by GaPa Tourismus GmbH acting as an administrative agent for the market town) in accordance with the current visitor's tax regulations of the market town of Garmisch-Partenkirchen, the following details are required to determine the amount of the tax: date of arrival and expected date of departure, surname, forenames, address, date of birth of all travellers, the actual date of departure and any eligibility for reductions.

To speed up and simplify the process, we offer you the option via the link below to provide us with the relevant details in advance on a voluntary basis, so that we can have everything ready for you upon your arrival.
